

## Institution at a glance

Faculty of Pharmacy of Sri Ramachandra University established in 1993, is a prestigious institution having excellent infrastructure with well equipped research laboratories that attracts research scholars from different parts of the world. It offers a 4 year (8 semesters) Bachelor's degree in Pharmacy, 6 years Pharm. D, 3 years Pharm. D (Post Baccalaureate), two years (4 semesters) Masters program in Pharmacy Practice, Pharmaceutics, Quality Assurance, Pharmacognosy, Pharmacology & Pharmaceutical Analysis. The B. Pharm, Pharm. D and Pharm. D (PB) are approved by Pharmacy Council of India, New Delhi. The B. Pharm and M. Pharm programs are approved by All India Council for Technical Education (AICTE), New Delhi. The campus, spread over 150 acres, is refreshingly green with well maintained lawns, sprawling open space and trees. The campus itself is a township with Faculties, the medical centre, staff and student housing, conference facilities, playground, multi cuisine restaurants, ATMs, Gift shops, travels, DTP, Railway and Air reservation counters, nationalized banks and a post office.

Sri Ramachandra University is located in Porur, on the busy Chennai Bangalore highway, a twenty minute drive from Chennai international airport. It is well connected by road, train and air to almost any destination in the world.

## Society for Ethnopharmacology (SFE) Chennai chapter

The origin of Chennai chapter was based on the resolution passed in the general body meeting held on March 8<sup>th</sup> 2014 at Sri Ramachandra University by the president of the International society for Ethnopharmacology, Dr. Anna K Jager and the President of the Indian chapter of SFE Dr. Pratim Banerji.

The SFE – India chapter is registered under the West Bengal Society registration act 1961 and is affiliated to the International Society for Ethnopharmacology, UK. With its headquarters in Kolkata, the SFE-India Chapter had recognized Faculty of Pharmacy, Sri Ramachandra University as Chennai chapter. The main aim of this chapter is to focus on globalizing traditional medicine & localizing global technology. The members of this chapter take active participation in dissemination of their research findings on medicinal plants through interdisciplinary research, conducting seminars, workshops, conferences and symposium besides conducting short term courses.
